

## Request from the Facilities Committee

As the facilities committee undertakes long range planning, we would like some input from you, the members of the Center. We are especially interested in your views on possible uses for the courtyard. Please take a few minutes to fill out the form below and return it to the Center. We will be reviewing your responses at our meeting in October and reporting the results in the November Newsletter. If interest is high enough, we will schedule a discussion session this winter. If you wish to discuss this with a committee member, please sign with a phone number. Thank you for your help and input.
