Quicken Topics

This tutorial will increase your knowledge of using *Quicken* for money management. We will explore one or more of the following topics (your choice): Budgeting, Investment management, Balance Sheets, Reports, Managing Investment Property*, Downloading Transactions*. This tutorial can be taught using Quicken Premier 2008 for Windows*, but will be useful for newer versions of Quicken on both Windows and Macintosh. Starred topics require a more recent edition of Quicken, which might require a materials fee. This is taught as a 1-to-1 tutorial rather than in a group. If you are interested, leave your name and phone number with the receptionist at the Senior Center. The instructor will contact you to arrange a schedule
